Dear All

By the time you read this many of you will know that I have been offered the job of Team Vicar in with special responsibility for Leigh and Bransford, Suckley, Alfrick and Lusley Parishes and Associate Priest at Crown East and Rushwick. I will start in time for Easter which this year is the first weekend of April. It is all very exciting and whilst Mike and I are looking forward to our new life situated in the beautiful countryside on the borders of Herefordshire we will be sorry to leave the Vale of Evesham. As you can imagine we have made a number of lovely friends over the past nine years partly because of having been so much part of Offenham when we owned and ran the Village Shop and Post Office.

God's is now calling me to carry out my ministry elsewhere having started the journey to ordination whilst working in Offenham and, as a reader, ministering in this benefice. Each year the Christian church moves through its own journey as it remembers the birth, death, resurrection and ascension of Jesus Christ. Through the yearly cycle Christians are nurtured and nourished by scripture, renewed and restored through the sacraments and encouraged and empowered by prayer.

Christmas, with all its preparations and emphasis on shopping and eating, comes near the end of the calendar year but it is near the beginning of the Christian year because without Christmas Jesus' earthly story cannot start. Easter Eggs are now in the shops as the next retail opportunity looms. When I owned Offenham Shop I remember telling the Cadbury rep that I would not sell cr me eggs, not even as stocking fillers, because you can't have Easter without Christmas!

We are now moving into the time in the Christian year between Christmas and Easter - from the birth to the death of Jesus Christ both of which represent new life. Everything born is new life but it was through the death of God's beloved son the promise of new life in resurrection was fulfilled. As we journey through our earthly lives from birth to death, we encounter many new lives (some more than others) and for those of us who believe God's promises we know that when our earthly life comes to an end not even death can destroy eternal life. What a wonderful message of hope. In the meantime may I wish you all a Peaceful New Year.

The festive season for the school was as busy as ever. The children in the choir entertained many of the residents of Badsey at a number of engagements with their singing of favourite Christmas carols, excerpts from the KS2

production of the 'Time Lord' and a sneak preview of the songs they will sing at the Young Voices concert at the LG Arena at the end of January.

The children in KS1 performed beautifully in the production 'The Bossy Christmas Fairy' where the children discovered the true meaning of Christmas hidden amongst the festivities that we all enjoy. The children were fantastic and everyone enjoyed the performances.

'Journeys of Discovery' was the topic for the children in Key Stage 2 during the Autumn term where the children found out lots of new information and gained new skills particularly in history. As a culmination of the topic we had a 'Roman Day' where the children and staff dressed in togas, made Roman headdresses and bracelets and had a Roman feast at lunchtime. It was a super day where the children had the chance to share what they had learnt during the term.

Every year the Autumn term finishes with a Christmas assembly where we invite all the adults that have helped the children during the year. The assembly is a special time when we join together as a school family and sing carols.

We hope all our families had a very Merry Christmas and a peaceful New Year.

The Royal British Legion Women's section, Badsey Aldington & Wickhamford branch did not hold their monthly meeting in November due to the closure of the Legion Club which has now been taken over as a private Pub in a Club and the monthly meetings of the women's section will continue to hold their meetings there. The next one being the Christmas social one on Wed 17th December when the ladies bring a selection of food to share. January 2015 meeting will take place on Wed 28th. If you fancy a pleasant evening out ladies why not come along and give our meetings the once over.

Although the branch didn't have a meeting in November 12 members did attend the group 2 meeting at Sedgeberrow 3rd December. The venue had a very festive atmosphere which included a visit from Father Christmas and his Elf helper who gave all the ladies a gift. Refreshments were Turkey baps and mince pies. Entertainment were three people reading the scrip of Hancock's Half Hour. The Blood donor. I think one of the memorable events of the evening was pass the parcel, although it wasn't really 'passed' but thrown round the room. The last wrapping on the parcel was a surprise for who ever opened it.... a £5.00 note.

Death on Aisle

Seventy five amateur detectives sorted through a myriad of clues to find who killed the vicar in the fictional whodunit at Ralph and Elizabeth Bolland's Santa Special Charity Evenings last month. The suspect with the most votes was Wendy, closely followed by Yvonne, Win and Annette. But were any of these the killer? Well, according to super sleuth Agatha Marbles MBE, three words literally spelled out the name of the choir girl murderer. The first clue was the SAND from Weston-super-Mare, the second was the murder weapon, described as a type of file, but better known as a RASP. Lastly, the ARROW, which delivered the letter containing the poem. If these three words are joined together, then split in half, they spell out our killer's name - SANDRA-SPARROW.

As an extra clue, it wasn't the name of the missing person in the photo of the celebrity that was important, but the surname of the celebrity. For Sandra has a family connection with the name 'Bellingham'.

Red herrings included the footprints on the chair, these were made earlier when extra height was needed to reach the projector screen. Also, the sandals found on the bus were not the vicar's, but a pair purchased from the charity shop and carelessly left on the bus.

If you were not a winner, then never mind, because you helped raise over £800 for two local charities, namely Badsey Church, and the 1st Badsey Scout Group's Hut Renovation Scheme.

Visit November 2014

Our fourteen friends (including a boy of 14 and a 17 year old female American exchange student) arrived at The Vicarage in the early hours of Friday morning, a quick chat and then to the respective hosts home for a short nights sleep

On Friday morning at 10.15 we met up and set off to Tewkesbury, we had a tour of the Abbey with a German speaking guide, which was very interesting, followed by a lovely lunch in the Fitzhamon Room and then enjoyed some free time, the weather was lovely and we felt very lucky. At 3.30 we met at the Lady Chapel in the Abbey and Richard led us in worship before leaving for our homes and enjoyed a very peaceful evening with our guests.

Saturday morning and an early start setting off for Oxford at 8am, took the bus from Peartree Corner to the town and had a service led by Richard at Christ Church (who are our Patrons) in the Bell Chapel, which was followed by a tour of Christ Church.

Lunch at St Aldates Tavern was most enjoyable, afterwards we had a walking tour of Oxford with a German speaking guide, shame not everyone could follow her very good commentary, unfortunately there was no time left for any shopping.

In the evening we had a meal at Badsey Remembrance Hall, which was cooked by Sue Cole and Gill Armstrong, and puddings provided by people from the Benefice.

We were presented by Gudrun, their pastor, with a wonderful tapestry which had been made specially for us. We were entertained by some of our parishioners presenting "Open the Book", bible story of The Prodigal Son and the evening finished with some more home entertainment.

Sunday morning we had a joint church service at Badsey, and after coffee we had lunch of soup and cakes, all provided by church members, before leaving for Worcester Cathedral.

We had been invited to attend the Installation service of Robert Jones as Archdeacon of Worcester, he also chairs the Magdeburg Task Group. It was a very nice service enjoyed by all. Our friends also had a chance to meet with Propst Hackbeil afterwards who had come over for the service before returning to an evening spent with the various hosts at their homes.

Monday morning we had a farewell service in Badsey church and then we went to the Wheatsheaf Car Park to say our final farewells, our guests were going to stop off at St Bartholomew's church at Churchdown as their flight was not till 17.45 from Bristol

We all feel we had another very successful visit and we are looking forward to the next visit.

Marianne Beddis

Fourteen guests visited from Germany who were housed with nine hosts. Thanks to all those who hosted, planned the trips, provided food and gave their time to make our friends welcome. Without these generous donations of time and gifts the visit could not have taken place. The Saturday night meal was well attended as was the joint Sunday service followed by soup and cake in the church, giving the opportunity for many from the Benefice to meet with our Partners and admire the tapestry they gifted to us. Photos of the visit can be seen on the Benefice website by clicking on the Partnership link.

Parish Council News

Village Computer Club.

The Parish Council is looking into a scheme in conjunction with Opportunity Vale of Evesham and Broadway URC to provide a regular computer club in Badsey. The first stage is to find out whether firstly there is anyone who would be interested in attending the club and secondly, whether anyone would be interested, with support, to run the club. There is no minimum or maximum amount of places and you wouldn't need to sign up to a set number of sessions. It would be on subjects that are relevant to you, whether that is how to turn on a computer or surfing the net or ordering your shopping or something more complicated! A number of computers can be supplied or you can bring your own. If you would be interested in either, please contact the Parish Clerk on 01386 760332 for more information.

Badsey First School- Dog Fouling Poster Competition.

The winner of the competition has been chosen by Badsey PC and the poster will soon be around the village for all to see and to remind residents to clear up after their dogs. A selection of the other posters will also be displayed, so look out for them in the coming weeks.

Police Report.
