## Badsey Church

Have you been to a Baptism, Wedding or Funeral here?

I am sure you would like it to be available and in good repair for such

services in the future

Can you guess how much is spent on lighting, heating, insuring and maintaining this Grade 2\* listed building? Think of how much these utilities cost for your house.

Who do you think should pay these Church bills?

The regular congregation pay what they can but they also have Clergy costs to meet.

Think about how you can help to maintain our beautiful building so it can always be used for Baptisms, Funerals and Weddings as well as other services like Remembrance Day and Christmas time.

Next month I will tell you the monthly costs of maintaining Badsey Church. This information will also be available at the Church stand at the Flower Show where you can meet members of the regular congregation and find out what goes on in your village Church.

## 2 Thought For The Month

I remember when I took my grandson on his first flight. We set off on a typical grey, wet winter day. However as the plane broke through the clouds we were surrounded by wonderful sunshine which was to my grandson almost like magic. We, as adults, realise that the sun is always there it's just that the clouds mask it for us. Even at night we know the sun is still there but the world has turned so that we are in darkness while the Southern Hemisphere enjoys the light. Children need this explained to them but even then it is hard for them to believe, except when they have an experience like my grandson, and they have to take it on trust.

Belief in God is rather like that. On a sunny day when all is well with us we can lift our heads and give thanks for all that is good in our lives. God is there all the time though sometimes we cannot see Him because the clouds of our busy lives are

## From Mrs Angela Gray

in the way. We do not even think about Him being there until something goes wrong and those clouds are thick and black with worry, fear, illness or distress and we think He has deserted us. We turn our backs on God just as the hemispheres turn away from the sun and then we think He is not there. Yet if we let our hearts and minds take flight in prayer we shall find God there on the other side of our clouds. They are our clouds, the stresses of our daily lives. We talk of not letting things cloud our judgement when we want to see things clearly in order to make wise decisions. God gave us the power to make decisions but if we seek His help they will be wise ones. Just as children have to take on trust that the sun is always there so we, as Christians, trust that God is always there for us.

Angela

The voluminous beard Charles Darwin is wearing on many portrait was a fake.

Last Months Answer:

**True:** In the movie, young Henry Jones Jr. decides to call himself Indiana after his dog; a reflection of Lucas' (the producer) use of his own dog's name. The surname changed from Smith to Jones at the last minute.

The Summer term has got off to a flying start with our 'Bloomin' Badsey' topic across the school. We have a whole array of planting going on with the promise of lots of produce to try at the end of the season!

Each Key Stage 2 has visited Evesham Tesco as part of the Farm to Fork scheme they are currently running for schools. The children visited the store and enjoyed being taken into the 'Staff Only' areas! They learnt about where food comes from and what happens to it before it is sold. The children also thoroughly enjoyed sampling the tasty produce including fresh bread and a whole variety of different fruit and vegetables.

At the beginning of term we again welcomed our friends from Ecole Adriatique, Reims in France. Our French friends attend an international school in Reims and visit England for 5 days every year. Our Y5 children have been writing to their French pen pals at various times through the year so they get to know them a little before they visit. The day always goes by in a flash with lots of activities planned for the children to get to know each other and to be able to practice their respective French and English skills. The day ends with our French visitors being hosted by our Y5 families for an English tea.

The Y3 children had a super time on their residential trip to Condover Hall, Shropshire. The weather was absolutely fantastic and not one pair of waterproof trousers were worn in the three days they were away. The children challenged themselves on a range of activities including archery, abseiling and zorbing!

The ladies of Badsey Aldington & Wickhamford branch of The Royal British Legion had an enjoyable evening on Wed the 22nd April 2015.

After the business part of the meeting had been dispensed with there was the added Easter Treat which was in the form of a Cream Tea, following this was a very interesting talk given by George Hillier about his life as a policeman .

When George asked 'how long would you like me to talk for 'the reply was'until the vicar arrives!! We had invited Richard along as we wanted to wish him well in his retirement and also to give him a small presentation but as he had a previous meeting beforehand not sure when or even if he could come to ours.

Yes we were very fortunate that he did manage to come along and the chairman Jackie Emms was able to present him with a photograph album relating to his work done for the Women's section The album came in a customized bag designed and made by chairman of Sedgeberrow branch Pat Kearsey on the front a poppy with 3 stained glass windows and on the reverse that it was from RBLWS and the branches name.

While Richard had a chat to the members George was asked if he would judge our alphabet competition which was J. There were numerous Jugs commemorating all sorts of anniversaries but in the end a jockey on a glass horse brought by Beryl was the winner. The winner of the squares competition was won by Lynne Clarke. May meeting was our FETE held at the Pub in the Club.

Dear All

Avril and I have now moved into our new home in Suffolk albeit without telephone or broadband access. We would like to take this opportunity to say thank you to all those who sent cards and wished us well in our departure from 'The Vale', ten years that we thoroughly enjoyed and during which we made many friends. We were overwhelmed by the 'send off' you gave us and the very generous cheque and gifts.

With love and best wishes to you all,

Avril & Richard

# Parish Council News

## Parish Councillor Vacancies.

Are you interested in influencing how the village of Badsey develops? Do you have a small amount of time to donate to the Parish Council? ## Badsey Remembrance Hall.

It is with regret that Badsey Parish Council have taken the decision to close the kickwall for the time being to ensure the safety of the children using this facility. Concerns had been expressed from parents that they could not see their children on the kickwall following the installation of storage containers for works to be carried out by British gas on local properties. Every effort is being taken to try to make the area safe to be used so that the kickwall can be re-opened as soon as possible. In the meantime, please contact the parish clerk or hall booking number if you have any issues.

## Badsey & Aldington Paths.

The village lengthsmen has been instructed to carry out work on Monks Path and The Furrows, Aldington to improve for the use of walkers. Several urgent requests have been issued to have vegetation cut back on the 's' bend opposite Birmingham Road which again is impairing visibility for pedestrians and drivers.
