Badsey Flower Show

THE VIKINGS ARE COMING + SPITFIRE FLYPAST!

Re-enactment battle and WWII flypast will be star attractions at popular Vale show

One of the Vale's most popular village shows – described by ITV television as 'one of the best of its kind in country' - has announced the line up for this year's event.

Highlight at the 2015 Badsey Flower Show will be a costumed display by a Viking re-enactment group - as well as a flypast by an original WWII Spitfire.

The Birmingham Vikings troupe will descend on the showground on the day, set up their tented encampment and put on a full battle display with reproduced costumes and armoury.

The flypast is provided by Battle of Britain Memorial Flight. The event will be opened by cricketer Daryl Mitchell who captains Worcestershire.

Daryl was born in Badsey and says he is very pleased to be able to open the event which is very close to his and his family's heart.

The show will also include youth dance and drama by Phoenix Theatre, Magic Steve the magician, a fun dog show, a Farrier display, pony rides, circus skills, music from Celebration Reed Band and a large marquee of exhibits from local amateur growers and producers.

In addition, the traditional mix of stalls, side-shows, children's games and a variety of food and drink will be in place.

Committee Chair, Gordon Boon explains, "Our show is very popular with both people from the village and from the surrounding area.

"As ever we will showcase a mix of professional and amateur entertainment as well as a wide mix of stalls and side shows.

"This is a wonderful and affordable family afternoon out so do put the date in your diary now".

It all takes place on Saturday 25th July on the Recreation Ground, Sands Lane, Badsey, near Evesham.

Gates open at 1pm and the event ends at 5pm

Entrance costs £3 (or £1 for children and £2 for OAP'S).

To enter your produce or exhibit for the show, visit www.badseyflowershow.co.uk and see the wide range of categories, many of which are ideal for children.

You do not have to live in the village to enter.

Badsey Church

As promised last month here are the approximate annual running costs for Badsey Church.

These amounts are averages over three years. The repairs figure is not necessarily just the building - we do not differentiate between the building and any other repairs.

Insurance £2,200

Utilities £2,100

Repairs. £600

Churchyard maintenance £2,500

In addition the regular congregation pays the parish share which covers the stipend, training and pension of the priest

Can you help maintain our beautiful building? You can do so with a one off donation, a regular standing order, by organising a fund raising event or even sponsoring a cut of the grass.

With your help Badsey Church can continue to be used for Baptisms, Funerals and Weddings as well as other services like Remembrance and at Christmas time.

2 Thought For The Month

The psalmist tells us that 'the heavens declare the glory of God and the firmament proclaims his handiwork. One day pours out its song to another and one night unfolds knowledge to another.' It's a beautifully poetic way to refer to the glory of creation. I hope that summer weather and, for those who are lucky enough to have one, the time and space that holidays can afford, will make it easier to appreciate the glory that the heavens declare.

Nature has sometimes been referred to as a 'third testament' which speaks to us of the presence and love of God in a way similar to the Old and New Testaments. I hope that we shall all be able

From Bishop John Inge

to take some time out this summer to wonder at the creation and give thanks for it in our prayers. We need to pray, too, that humanity will have the grace and strength to care for it better, The Bible speaks of a 'cosmic covenant' between God, humanity and the earth in which we humans are dependent on nature but also under God have a major responsibility to care for it. As the 2015 United Nations Climate Change Conference approaches prayers are needed for the will to be found to cherish God's beautiful and yet fragile creation upon which we depend.

Book Launch

Aldington poet, Brian Smith, will be launching his second book of local poems later this month. The book, 'From Packs Meadow to Pear Tree Corner', is similar to his first book he brought out last year. The second edition contains more poems and illustrations, but still manages to recapture Badsey's characters and events from yesteryear. The cost of the book is £5, and profits from its sale will go to St. James Church, Badsey. If you would like to reserve a copy in advance, then contact Brian on 832623. The book will also be on sale at the Spar shop following its launch at Badsey Flower Show on July 25th..

MORE RINGERS REQUIRED

June has been very hit and miss with very little ringing due to holidays etc.

It looks as if this could be the pattern for the next couple of months. For weddings I can borrow ringers from other towers but Service and practise ringing suffer most.

Annually the ladies of the Royal British Legion, Badsey Aldington & Wickhamford branch hold a Fete instead of the usual monthly meeting on their meeting

night.

This is also held in the lounge at the pub in the Inn (formally the British Legion) as the weather is so unpredictable that it is so much more cosy in the warm, instead of out side.

Although we put up posters advertising the Fete, quite often it is only 'Legion ladies' that attend but really pleasant to see a few of the village folk there this year.

The committee put in a lot of work trying to come up with new ideas, but is the old favourites that help to boost the funds.

After a succession of hospitalisation and illness we had a surprise visit from Sue Preston of Broadway. We do miss her at the Alphabet competition as we knew what ever the letter she would have something 'edible'. We may not see her again for a while as she is waiting to go into hospital for more operations

As we have more money in our account that branches are permitted to hold for the working of the branch it was decided to send £350.00 to headquarters for the Benevolent Fund helping those service and ex-service personnel less fortunate than ourselves and who need help.

This is our motto Service not Self.

We are a friendly group of ladies but like most associations our numbers are on the decline and we would like to try and boost them. If there are any ladies in the area who would like to join us why not come along and see what we are about our ages range from 50 to 90 so we do cope with something for all ages. You do not need to have any association with the armed forces anyone can join, we even have a starting age to join now of 12 in the women's section.

Next meeting on the 22nd July is when Badsey are hosts to Group 2 meeting and also the 70th anniversary of the branches Women's Section An ideal time to come along and see what 'The Legion' is all about, you will be made most welcome.

Val Taylor

We welcomed our new intake of children for September for the first time this month. It was wonderful to see so many excited faces waiting for their first taste of 'big school'. They all had a fabulous time in their

new classrooms making new friends and having lots of fun.

The children's artistic talents were once more on display as part of the annual Voices and Visions art exhibition held at Worcester Cathedral. We submitted pieces for the Celebration exhibition that included a mosaic of garden flowers from Willow class and a tree made of twigs by the children at our Out of School Club. As well as submitting work for the art exhibition we were lucky enough to be selected to take part in the BBC Ten Pieces showcase. The Y5 children in Apple class had been working on the project initiated by the BBC to bring classical music to young people. Apple class had composed their own piece of music inspired by the piece of music 'Mars' by Gustav Holst. They performed their original composition to a capacity crowd of parents in the spectacular surroundings of Worcester Cathedral. The children all performed brilliantly and enjoyed the opportunity of sharing their music.

We are all looking forward to the Flower Show and being able to show our 'green finger' and creative skills off. We have been working hard in school on our Bloomin' Badsey topic and hope to be able to share with you some of our work. We hope to see you there.

May saw our Annual Meeting when Jane Thompson was re-elected President for the second year. Our Worcestershire W.I. Advisor, Sue White,

who came along to oversee the meeting and election of committee and President, was full of praise for our W.I. saying she knew as soon as she came through the door and heard the hum of voices and laughter that it was indeed a friendly and welcoming W.I. Our membership continues to increase almost monthly and we were more than pleased with the compliments paid us by our Advisor. Following the business of the meeting a quiz, organised by Eileen Goodall, ended the meeting on a fun note, together with tea/coffee and yummy homemade cakes.

June saw member Janie Lashford at the W.I. Garden Party hosted by Buckingham Palace in the presence of the Duchess of Cornwall and other royal dignitaries and former President, Elizabeth Cudd, representing us at the Albert Hall on the 4th in the presence of Her Majesty the Queen, the Princess Royal and Countess of Wessex, all W.I. Members. These two auspicious events were put on to help celebrate 100 years of the W.I. movement.

Our meeting in June is to be a garden meeting being held in the beautiful gardens of Sheila and Adrian James. Adrian is a well known garden and plant photographer who has travelled widely and regularly has work published in many magazines. Their garden has been a labour of love over the years and now is extremely beautiful every season of the year.

The Group Quiz hosted by Badsey, with the actual quiz being organised by Eileen Goodall, was extremely successful with the winners being Pebworth.

Our July meeting is Richard Kendrick on "Behind the Scenes with a Film Caterer". On July 22nd we are visiting The Hall at Abbey-Cwm-Hir at a cost of £26.00 for coach and entrance. This is a fascinating place with all the rooms as they once were with thousands of antiques and collector's items used as furnishings. The acres of

beautiful gardens include a lake, waterfall, a row of beach huts, gypsy caravan and beautiful walks and walled gardens. Anyone wishing to join us on this outing are welcome (male and female). Contact Yvonne Haynes on 01386 830063 for details.

Our meetings are held on the second Wednesday of every month at Badsey Remembrance Hall starting at 7.15.pm. Anyone is welcome to come along as a visitor to see what we are all about and if you like us – join us! For further details contact Jane Thompson on 01386 858944 or Yvonne Haynes on 01386 830063.

VE Day Celebrations

The residents of Chapel Street, their family and friends came together to enjoy a fabulous Street Party to remember the importance of VE day. Chapel Street was awash with bunting and flags and the party began with Churchill's VE day speech and the National Anthem. With some residents in traditional 1940's dress they enjoyed a day of war time music, great food and cakes, wheelbarrow racing, apple bobbing, and 3-legged racing plus many other games to keep the children (and adults) fully occupied! A great day...we should never take our freedom for granted.
