### Monthly Quiz

#### True or False

British radical thinker and author Thomas Paine was involved in both the American Revolution and the French Revolution.

November's Answer:

**True:** It is possible to sit in deckchair and sunbath on the beach in Paris. Every year the Paris Plage turns one bank of the Siene into a sun-soaked chill-out gone for stressed city workers. It was the brainchild of Mayor Bertrand Delanse and began in 2002

# Thought For The Month From

# Mrs Margaret Pye

February for me is the start of better things, warmer weather, brighter days to come, the winter is on its way out, yet as I start to write this letter in early January there are snowdrops, primroses and daffodils blooming, with catkins heralding an early spring. In our area we have been fortunate and the river whilst full is behaving its self.

Having lived in an area that was liable to flooding, I feel for those in the North West who have had their homes flooded and some a second time too. I wonder what would you save if you had to make a quick decision as to what you moved first before the water ruined it. One thing for me would be my photograph albums. They contain all the memories of our family life since we were married. Photos of our children newly born and growing up. It is these precious moments captured in my albums that remind me of family days spent sometimes in glorious sunshine and often in grey wet days, but happy none the less. We can't buy these moments, they are what our lives are made up of and what makes us grateful for being part of a family that loves.

One of the privileges as a Reader is to be with bereaved families when they have lost a loved one. Funerals can

often seem to the outsider as a terribly sad and woeful time. Yes, they are sad, but when families start to reminisce about their loved one, their faces light up as those precious memories are recalled. They remember all the good times, recall all the anecdotes in the tributes they write for me to read. It is important that they are remembered and remembered well.

Every parishioner is entitled to have a funeral service in church. You don't have to be a congregation member. Sometimes the service takes place as a Thanksgiving service after the crematorium service, but it can be a service first in church and then the committal either in the churchyard or at the Crematorium.

We have wonderful churches in our Benefice with beautiful churchyards surrounding them. They are there to be used not just preserved. We are looking forward to some special events, Easter is early this year and hopefully after Easter we will be welcoming our new Priest, so we have much to look forward to. Even more memories and maybe some new photos for our Benefice album.

Very grateful Thanks to Phylis, Stef, Richard & George for helping to make up the team to keep our bells ringing for this Christmas and New year.

Without you all we would have struggled number wise. At this moment we do not have anything booked in the way of visiting teams.

We will try and keep regular ringing going for Services and Practise. Christina, Tony and Gordon are progressing well and we wish them a speedy recovery and look forward to them rejoining the team. We miss you and look forward to your return in due course.

Meanwhile John will be encouraging our new recruits in their rope handling technique which is coming along nicely. It won't be long before they are taking part.

Happy and Healthy New Year 2016 to the women of the Royal British Legion, Badsey Aldington & Wickhamford branch.

After last month's epic report there doesn't seem a lot to say but must put in something as I know if I don't the ladies will be disappointed as they look to read what happened at the last meeting.

Yes our Party Night on 16th December was a very social affair, and I think the variety and amount of food which had been bought by each member paying for the food, which was then prepared by the committee proved successful, much more variety than when the ladies just brought along something themselves.

During the evening the music provided was accompanied by the additional voices of the ladies singing along, whether they knew the right words or just made up their own.

There was also a couple of iPads 'doing the rounds' This was the singing and dancing Elves whose faces were those of committee members again another good laugh.

There were no competitions this month and the monthly raffle, prizes donated by the committee were 'freebees'

Just before the ladies left to go home committee member and sick visitor Joyce gave every one a chocolate edible mouse in a bag.

The chairman then closed the meeting, taking off their party hats the ladies made their way home.

If you fancy a social evening out why not join us the 4th Wednesday every month in the small lounge in the Club in the Pub at 7.30pm

## German Partnership

We are still looking for four delegates to go to the Three Confessions in Germany from 29 April to 2 May 2016.

The plan is to fly or if you prefer and have time to take the train to Hanover where transport will be laid on to take the party down to Drübeck Abbey where the accommodation is <http://www.kloster-druebeck.de> (there is a video half way down home page which shows venue and rooms). Saturday will start with a discussion at Drübeck. After lunch there is a chance to go on a short pilgrimage to the Roman Catholic monastery in Huyburg <http://www.huyburg.de>. The route will vary in distance. (There will be a short route for people who like to only 2 or 3 km and a route of about 5km) Those people who can't or would prefer not to walk could be transported directly to Huyburg Monastery. On the Sunday there will be a service in the morning and a chance after lunch to meet with local church groups.

The only cost to you would be you fare to and from Germany. If you wish to go or have more details please contact Alex Christison at [partnership@ourbenefice.org.uk](mailto:partnership@ourbenefice.org.uk)

As we enter a new year, we cannot help reflecting on the year just closing; thinking about all our successes and joyful times as well as the times that have been more difficult and have challenged us. Here at St Richard's we strive each day to offer compassionate care to those coping with the challenges of their illness or bereavement of a loved one.

Over this Christmas and New Year period we have continued to offer specialist care and support to patients and their families at this very special time of year. We are proud of all our staff and volunteers who worked over the holiday to ensure that our support is available 24 hours a day, every day of the year.

Many families tell us that our care makes such a difference to them and even more so over the festive period, a time when families want to spend quality time together.

The husband of one patient told us; "Without assistance from the hospice it would have been a pretty dismal time. I was completely taken aback by the unlimited nature of the care that was on offer."

We are able to care for patients at the end of their lives thanks to the amazing support we receive from our local community, and we are very grateful to everyone who has helped us be there for those in need. I would like to thank everyone who has helped us during 2015; those that have volunteered their time and skills to support patients and carers, to help us run our fundraising events, or to keep our shops open. Thank you to everyone who has donated funds to help us ensure that we can be here to provide care and support to those who will need our services in 2016.

A peaceful New Year to you all!

A COURSE FOR THE CHRISTIAN JOURNEY

What is Pilgrim?

Pilgrim is a major new teaching and discipleship resource from the Church of England. It helps our local church create a place where people can explore the Christian faith together and see how it can be lived out each day. We will be using the Bible as our main resource.

The course is for both the newcomer and those who wish to deepen their faith

The first group will be starting shortly and you are welcome to join in. We will meet locally in small groups of six or seven.
