Harvest Festival 2016

Badsey Church

2nd October - Starting at 11am

The tradition of celebrating Harvest Festival in churches began in 1843, when the Reverend Robert Hawker invited parishioners to a special thanksgiving service at his church at Morwenstow in Cornwall. This led to the custom of decorating churches with home-grown produce for the Harvest Festival service.

The traditional ways of celebrating the harvest still survive today in rural communities. Nowadays, we take gifts of fruit, vegetables, tins and packets to church and present them during the harvest service whilst the harvest hymn 'We plough the fields and scatter the good seed on the land, But it is fed and watered by God's almighty hand' is sung. After the service, these gifts are distributed to the elderly and needy of the community.

Badsey church sends their harvest gifts to Caring Hands in the Vale.

Caring Hands is an organisation within the Church that continually seeks to help relieve poverty and need in the Vale of Evesham. Those referred to Caring Hands receive food parcels, toiletry packs, bedding, clothing, sleeping bags and blankets free of charge depending on their circumstances. Those in need can also receive a free hot meal twice a week at the Caring Hands Diner.

Everyone is invited to join in the celebration and thanksgiving for harvest at Badsey Church.

After the service all gifts will go to Caring Hands in the Vale

Thought For The Month From

Revd. Philip Morton

During the last few weeks all over our countryside we have heard the sound of the farm harvest machinery carrying out the necessary work bringing in the crop to produce our food.

Combine Harvesters and tractors costing thousands of pounds and

fitted with the latest equipment in satellite navigation are a far cry from the small Ferguson tractors of not so long ago.

But times have changed and farming has moved on into the technological era that should benefit us all by constantly bringing in the harvest that we need in order to feed our nation.

In this new season of teaching in the church we need to look upon it as a time of harvest to bring more people to know what Christianity is all about.

Christian organisations, such as Scripture Union, are producing computer games for children to enable them to know more about God and Jesus Christ from the bible.

Contrary to media reports there are many areas in our nation where the Christian church is growing and flourishing because they are moving forward to meet the needs of the people around them.

As with the farmers, the church must sow in order to reap and therefore it must share the good news of the gospel of Jesus Christ to its neighbourhood.

If you would like further information about Christianity, please get in touch.

**THE GROUND
 FORCE TEAM**

The monthly meeting of the Royal British Legion Women's section. Badsey, Aldington & Wickhamford branch took place on Wednesday 24th August 2016.

Once again our numbers were on the low side but then as our membership is on the decline quite understandable.

I think one reason for this being reports in the national press concerning the future of 'the Women's Section' and how displeased quite a number of ladies are about the proposed situation.

After much discussion and deliberation it was put to the branch that we follow others and CLOSE our branch.

The decision was unanimous .

The September meeting was when we had our Harvest Festival, as we have done for numerous years but at that meeting the County Chairman/Secretary came along and closed the branch which was extremely sad for those who have been 'in the Legion' for so many years.

Now back to the August meeting ,we were entertained by Reuben Lynch on his life particularly that of being a Toast Master, as he said at one time the only Black Toast Master in the UK

As usual he was asked to judge our alphabet competition and as it was the letter T he chose a very decorative Teapot brought in by Janet Welsh she was on a winning streak tonight as she also won the squares competition. Pity it wasn't Bingo, Janet!

Yes, must mention another of our ladies who unfortunately was not at the meeting due to being a little tired after celebrating her birthday a few days before and that is Beryl Redgeway who is now 90 years old, just thought we would

let every one know. She has sent THANKS to the ladies for the flowers, card and bones (private joke) that we sent her, Next month will be the last report that I will be writing to be included in Community News and would like to thank the editor for all his hard work in keeping the village informed of functions going on.

RECALL NOTICE:

The Maker of all human beings (GOD) is recalling all units manufactured, regardless of make or year, due to a serious defect in the primary and central component of the heart. This is due to a malfunction in the original prototype units code named Adam and Eve, resulting in the reproduction of the same defect in all subsequent units.

This defect has been technically termed "Sub-sequential Internal Non-Morality," or more commonly known as S.I.N., as it is primarily expressed. Some of the symptoms include:

1. Loss of direction
2. Foul vocal emissions
3. Amnesia of origin
4. Lack of peace and joy
5. Selfish or violent behaviour
6. Depression or confusion in the mental component
7. Fearfulness
8. Idolatry
9. Rebellion

The Manufacturer, who is neither liable nor at fault for this defect, is providing factory-authorized repair and service free of charge to correct this defect. The Repair Technician, JESUS, has most generously offered to bear the entire burden of the staggering cost of these repairs. There is no additional fee required.

The number to call for repair in all areas is: P-R-A-Y-E-R. Once connected, please upload your burden of SIN through the REPENTANCE procedure. Next, download ATONEMENT from the Repair Technician, Jesus, into the heart component. No matter how big or small the SIN defect is, Jesus will replace it with:

1. Love
2. Joy
3. Peace
4. Patience
5. Kindness
6. Goodness
7. Faithfulness
8. Gentleness
9. Self control

Please see the operating manual, the B.I.B.L.E. (Basic Instructions Before Leaving Earth) for further details on the use of these fixes.

WARNING: Continuing to operate the human being unit without correction voids any manufacturer warranties,

exposing the unit to dangers and problems too numerous to list and will result in the human unit being permanently impounded. For free emergency service, call on Jesus.

DANGER: The human being units not responding to this recall action will have to be scrapped in the furnace. The SIN defect will not be permitted to enter Heaven so as to prevent contamination of that facility. Thank you for your attention! – GOD

P.S. Please assist where possible by notifying others of this important recall notice, and you may contact the Father anytime by 'Knee mail'!

Tower News

The Full Peal rung on Tuesday 30th August by the Vale of Evesham Ringers has been dedicated to

Corporal Louis Henry Sparrow who died in the WW 1 Battle of the Somme. His name being recorded 20750, 1st Bn, Worcestershire Regiment and Remembered with Honour on the 'Thiepval Memorial' 1916.

(A relative of Terry /Patrick Sparrow and Doug Bott)

Louis was a very active member of Badsey Guild of Ringers. and is recorded as having rung 10 peals for The Worcestershire and Districts Association of Change Ringers.

Recently, ringing wise August and September have been very poor months mainly due to shortage of ringers when peoples holiday time occurs. This seems to be a general pattern across the Four Counties.

Thankfully we have had some very good ringing with visiting teams.

This month we all wish the very best for the forth coming celebration of marriage between Chris & Melangell.
