Thought For The Month From

Revd. Fr. Philip Morton

Dear Friends
By now you will have noticed that Christmas music has been playing in the shops since early November, so it will be of little surprise to know that the churches are gearing up for our Christmas celebrations.

But before we get to Christmas, we have the season of Advent, which started on the last Sunday of November. Advent is a season of reflection and waiting, and traditionally the churches remain undecorated until our Christmas celebrations begin. The purpose of Advent is to give us some space to

reflect on our need for God in our lives, and the expectation that God is about to do something new and creative. It generates a sense of anticipation, so that when Christmas finally arrives it's a great and joyous event.

So with that in mind, please do check the magazines for events and services taking place in your local church over the Christmas season. You can expect a warm welcome and a great celebration of Jesus' birth!

THE GROUND
FORCE TEAM

This is the last report from the Royal British Legion Woman's section, Badsey, Aldington and Wickhamford branch meeting held on Wednesday 28th

September when the Worcestershire County chairman, Jackie Taylor came to close the branch.

September is the month when we hold our Harvest Festival the Revd. Fr. Philip Morton was invited to come along and take a small Harvest Service. This he did complete with service sheets and for the first time we even had, taped music to sing with.

Afterwards a superb plated Ploughman's Supper complete with a bottle of white wine each was thoroughly enjoyed by the ladies possible more so as Rob of The pub in the club did the catering, laid out the room, and completed the job by even doing the washing up. Thanks to Rob for once again aiding the ladies on this very sad occasion.

Following after the food came the usual auctioning of the Harvest produce donated by the ladies. Bargains were had and the money made was donated to the church.

As the meeting was drawing to a close the paper work needed to go to county and Headquarters took place.

One of the things that needed to be done prior to the closure was the laying up of our branch standard. As we already have one laid up on St James Church

Badsey it was decided by the branch to approach the local village first school and see if it could be laid up there.

The head teacher, Mrs. Jones was enthusiastic and said yes and even arranged a special afternoon assembly for the presentation..

As this had to be done by the end of the month and taking into consideration the school, and when Legion ladies especially the standard bearer were available to do this. It was unfortunate some committee members were on holiday and unable to attend.

As a branch we decided to close due to the situation that has come about, a proposed amalgamation with the R B L. We are not alone in this as thousands of other women section branches throughout the county have done the same.

With this sad note I say goodbye from the President Sue Cole, Chairman and Standard Bearer Jackie Emms Treasurer Pat Gorin Sick visitor Joyce Marshall and committee members Wendy Beasley, Pam Cresswell Lynne Clarke, Anne Wilson, Mary Allard, Shirley Smith and branch members not forgetting the faithful three who joined us when their own branch in Broadway closed many years ago... Jill, Kate and Sue.

Hopefully I have not forgotten anyone, of course I have it is me Val Taylor secretary.

Monthly Quiz True or False

The phrase 'money for old rope' stems from the days of public hangings, when ghoulish onlookers would buy pieces of rope used for the hanging.

November Answer:

False: Beatrix Potter, creator of Peter Rabbit and many other fictional animals, actually kept many pets, including a house-trained rabbit called Peter and a Hedgehog called Mrs Tigglewinkle.

(And no Mrs T. didn't do the laundry)

SEPTEMBER: Probably one of the best evenings we have had. We were entertained by Anne Blagden, Belly Dancer. Not your usual belly dancer in veils and jingles and jangles everywhere but

someone who was an expert on this type of dancing and the history of it which was most interesting and very informative. Anne was small, very slim, blonde and very attractive. Her dancing was graceful and in some ways balletic and was beautiful to watch. Anne explained and demonstrated that every hand movement and body movement told a story and that belly dancing varies and is different from country to country. Her 'finale' was a most beautiful dance to do with a story with a golden eagle in it and her wonderful costume opened up into a pair of very big and beautiful wings. It was a joy to behold. As we had a visitor from America, our President Jane Thompsons sister, it was a lovely evening and insight into the W.I. here in the UK for her to take back to the USA with her.

OCTOBER: We had a speaker on "My mother was a Cockney" with Anne Beagley. Anne began by telling us she was involved with 'The Children of Chernobyl' organisation and her fee would be donated to this cause. Anne then told us about the history of Cockneys, the Cockney Rhyming slang and even sang a few well known old cockney songs. Anne had also brought along items of clothing she had sewn using thousands of pearl buttons and explained what they represented.

NOVEMBER: What a busy month this is!! Our meeting was held a week early to accommodate those going on the five day W.I. holiday to Eastbourne on November 7th. All are looking forward to this very much. We are also having an outing to Cardiff on November 30th for Christmas shopping, sightseeing, drinking lots of tea and coffee (and maybe something a little stronger!). At our meeting we had a 'dabble' evening allowing members to 'have a go' at various arts and crafts we have on offer to members. Beautiful art from our art

class was on display and members had the chance to paint a small Christmas card with Angela Gash; the embroidery group headed by Jane Bayes were in action too and had some beautiful work on display as well as giving other members a chance to 'have a go'. Christmas tree decorations were also on display and members again could have a go or take a kit home and try it there after being shown how to do them by Eleanor Sams. Yvonne Bowen from our card making class demonstrated beautifully decorated cards and again members could have a go. Beautiful silk corsages were also available for members to make under the guidance of Janie Lashford. We have a very talented W.I. and are so lucky that the "talent" share their expertise with members by holding classes. Pauline Hales our intrepid knitter of figures had a beautiful knitted carol singing penguin, complete with lantern, on display which everyone fell in love with.

Members were reminded that a Christmas Quiz was being held at the Village Hall on December 3rd with proceeds going to charity (as yet undecided). This will be with a fish & chip supper, teams of 4 persons, bring your own drink, £6.00 per person.

Our New Year meal will be held at The Pheasant at Toddington on Saturday 14th January.

December meeting is and bring and share supper with Carols by Candlelight, a very interesting "sock game" with the proceeds being sent to ACWW. This is a branch of the W.I. which supports women in third world countries by training and educating them to enable start up very small businesses from home, help to provide training on health and hygiene, provides wells or standpipes etc.

We will also be collecting groceries and gifts for Caring Hands in the Vale. Anyone is welcome to come along. Our meeting starts at 7.15 on the second Wednesday of every month in Badsey Memorial Hall. You can be sure of a warm and friendly welcome.

We are nearly at the end of the term and the children have taken part in so many exciting activities. Every year the school takes part in the Christmas shoebox appeal. This year we have donated boxes, beautifully wrapped and

filled with lovely things for children that aren't quite as lucky as ours. To find out what happens to the boxes once they leave school, the school council made a visit to the Teams4U warehouse in Evesham to see the boxes being checked and packed up in large containers ready for transportation. The children had a great time and were very proud to have been able to contribute to a good cause.

The children in Key Stage 1 are already busy practising their lines for the Christmas plan. This year we are telling the audience all about the different 'Baubles' on the Christmas tree.

The PTFA are always busy at school fund raising for the benefit of the children. This term we have had a Roald Dahl night with four great films for the children to watch. The children who have joined us in Reception this year were invited along to have a story by candlelight; the children and staff all dressed in their pyjamas and enjoyed some stories, a biscuit and a cup of tasty hot chocolate to finish the evening. We are now looking forward to the Christmas Fayre on Friday 2nd December 6 – 8 p.m. Please come along and join in the fun if you are able.

Remembering

A dedication plaque to Corporal Louis Henry Sparrow can be seen in the Chancel for his ringing and choir abilities before his untimely death in WW1 on 'The Somme'. A homily given by his nephew Terry at Evensong on 23rd October was very touching and informative with a special dedication prayer. 760 changes of Grandsire Doubles was achieved and recorded in his memory.

Over 60s Jotting

Mary Opened the Meeting at 14.30 39 Members Attended Our entertainment for the afternoon was "The Cordites", a newly formed group consisting of some of the members of a regular group banjo players. We were delightfully entertained with a selection of hits from the 1950s and 60s, interspersed with jobs and tales of humour, we will certainly be inviting them back next year.

We then enjoyed refreshments and held our monthly raffle. May I take this opportunity to remind everyone that the next meeting is 6th December starting at 2pm where we will be entertained by Badsey First School Choir and the children have to be back to school by 3pm. The meeting closed at 16.10.
