# Thought For The Month From

# Revd. Fr. Philip Morton

Dear friends

This month I am using my letters slot to promote something that is happening in the local area, something that offers practical help to local people. It started with a new initiative called Germinate, which operates out of the Arthur Rank Centre in Warwickshire, that is designed to help churches in rural areas. But it is not only churches that they are keen to help. An off-shoot of this work is called Germinate Enterprise, and the aim is to help people in rural areas who are thinking about setting up their own businesses.

The first steps to setting up and running a small business for yourself can be a very daunting task, and many people find themselves put off by the risks of it all. This is where Germinate Enterprise might be able to help. They bring in experienced business advisors to run a six-week course that takes prospective business-owners through a programme which allows them to explore ideas and develop a basic business plan. Although this initiative is based on Christian ethical values, there is no pressure to start attending church! It comes simply from the conviction that the church should be helping people in the community wherever need exists. In their own words, Germinate Enterprise says:

“In most communities there are people who would love to set up their own small business or social enterprise, but lack confidence and the practical skills needed to choose an idea and work out whether it is viable.

Germinate Enterprise is a resource that churches or other groups can use to help their community flourish through job creation, retaining young and working age residents and tackling rural poverty.

Given the growing availability of high speed broadband, the need many farmers have to diversify, and the availability of business skills in many congregations, there is a unique opportunity to reach out and offer a resource of real benefit.”

In our local area, business and enterprise advisors Chris Sheehan and Sarah Hewitt will be running a six-week course from Thursday 8<sup>th</sup> June at the Hampton Farm Shop, Evesham. If you would like to know more about Germinate Enterprise, please contact Chris on 07977 072 105 or email [chrispeterssheehan@btinternet.com](mailto:chrispeterssheehan@btinternet.com). Alternatively, look up [www.germinate.net/enterprise](http://www.germinate.net/enterprise)

### Vicar's Surgeries

In a slight change to the usual pattern of Benefice surgeries, I will now be holding the surgery at the Vicarage in Badsey, on alternate Tuesday evenings from 6pm-8pm. This is for anyone who wants to book baptisms (christenings) and weddings. It's also great for me, as I get to meet to people who want to book a special service early on in the process and get to know them a little bit.

You can book baptisms and weddings for any of the churches in the Benefice. All you have to do is contact our lovely administrator Wendy and she will book you an appointment. Wendy can be contacted on 01386 424728 or [admin@eastvaleavon.org.uk](mailto:admin@eastvaleavon.org.uk)

## Freedom Disco

Everyone at Freedom would like to thank everyone that attended our bus launch/celebration day in 24<sup>th</sup> March, you helped make it a huge success.

Again thank you to everybody who donated money, prizes and equally as important our fundraising bingos. The bingos help to keep the bus on the road

Also thanks to a very generous person we now have had a donation of £10000 so Freedom day centre will be up and running hopefully within the next two months. Anyone who'd like to do voluntary work please contact me on 07979306037. Our aim is to incorporate a community cafe so hopefully this will give people a place to come and have a natta or just have a drink and browse the papers. This will be a vital part of the Day centre as the clients can interact with the more able bodied, gaining a lot of confidence. Hopefully your all pop along once open.

Again from all at Freedom grateful thanks.

Tracey xx

# GERMINATE ENTERPRISE

## RUN YOUR OWN BUSINESS OR SOCIAL ENTERPRISE!

*Explore the possibilities*

### The Arthur Rank Centre 'Germinate Enterprise'

is a six session programme that will help you think through what sort of business to set up (if you're not sure yet) and investigate whether this idea is viable.

It is particularly suitable for those thinking about setting up small business or social enterprise in a rural area. There's no obligation, and working with other people on the same journey will help you decide if this is right for you.

The course is enjoyable and informative, and builds up a simple business plan from a series of exercises. It has been developed by experienced entrepreneurs and social entrepreneurs at the Arthur Rank Centre. A straightforward workbook given to every participant contains the material and includes a wealth of references for further information.

"This course really helped me think logically through the step-by-step of setting up a business for the first time"

"Very interesting and relevant... the atmosphere is easy going but we got a lot done"

"The structure of the course is excellent - succinct and easy to understand and implement"

"I learned a lot and now I feel more confident in starting a business"

For further information please contact:

Chris Sheehan on 07977072105 or [chrispetersheehan@o2internet.com](mailto:chrispetersheehan@o2internet.com)

The 6 workshops will run from 6.30 to 8.30pm on Thursdays as follows 8<sup>th</sup>, 15<sup>th</sup>, 22<sup>nd</sup>, 29<sup>th</sup> June and 6<sup>th</sup>, 13<sup>th</sup> July 2017.

Venue is Hampton Farm Shop, Evesham. Cost is £5/person per week to include workbook and coffee

The course will be mentored by Chris Sheehan and Sarah Hewitt who have run many successful businesses including a local social business

In March 1927 Badsey W.I. was formed with a Mrs Boucher as President, who also instigated its formation, a Miss Ella Jones was Secretary and a Miss

Kelland was Treasurer. Until 1952 when Wickhamford formed their own W.I. we were known as Badsey and Wickhamford W.I. This means that this year we are 90 years old. What an achievement and a testament to this wonderful organisation, which despite changes over 90 years, has not faltered or decreased its value to the women of Badsey and in fact all around the country.

In our 90<sup>th</sup> year, which we will celebrate in September with a lunch at the Remembrance Hall, we have thus far had some interesting speakers which have included, Humour in Retirement which reiterated what most of us already knew, that retirement is a state of mind and along with the angst of wondering what we will do and the oncoming aches and pains there is a lot of fun and humour in retirement. Then we had the Life and Times of Buddy Holly. A wonderful singer and icon in his day. Unfortunately he died at a very young age but his music lives on (well for some of us!).

In March we heard about Wicked Women which was fascinating and quite macabre. Fortunately there wasn't anyone from our W.I. mentioned.

April we had Angela Tidmarsh from Wychavon Tourism and what an amazing insight this was into how our Asparagus Festival and Plum Festival has become known throughout many countries of the world. Each year they get bigger and better but what a lot of hard work goes into their success, mainly through volunteers and sponsors. This year the Vale is going

**7 GREEN** for the Asparagus season which begins on St. George's day. A convoy of Morgan Cars will take a 100 bundle, grown by Billy Bird, from the Fleece Inn at Bretforton to Worcester Cathedral where a special service is being held in the afternoon in thanksgiving for the harvest of the 'Gras and where it will be blessed before winging its way to Brussels as a gift to the EU as they are preparing to give Vale of Evesham Asparagus the same sort of status as the Cornish Pasty, Worcester Sauce etc. and this will carry on going through Brussels despite Brexit. Green has been the chosen colour. for people to wear to any asparagus event and the Bell Tower and Almonry Museum will be lit up with green lighting.

Our art, embroidery, and card making classes are being very well supported and our skittles team are winning a few and losing a few matches but having great fun playing other W.I.s.

Our meeting May in our AGM when a new President and committee will be elected.

We meet on the second Wednesday of each month at 7.15.pm at the Remembrance Hall and all are welcome.

Yvonne Haynes

## Monthly Quiz True or False

The world's largest frog, a Goliath frog, is three feet long and can make a call louder than that for any human voice.

April's Answer:

**True:** Before a London Blue Plaque can be erected, the subject must have been either dead for 20 years or born at least 100 years previously.

The first plaque was placed on the former house of Lord Byron 1867. English Heritage has managed the project since 1986, adding about 30 plaques per year. The system has spread to other British cities.
