## BISHOP GRAHAM

In June, St. James church held a fun weekend for our community. There were so many families and young children who popped in to enjoy the fun on the Saturday morning. A bouncy castle provided outside entertainment next to Reverend Hunt's Memorial. Inside, some of the children were helped to make their own lighthouse. There was a demonstration of hand bell ringing, as well as an opportunity to climb the narrow winding staircase to the belfry platform to have a go at bell ringing. Bishop Graham from Dudley attended the Sunday service.

## VOLUNTEERING

Does volunteering happen in our community? Yes, lots of it. Volunteering means just giving a bit of your own time for someone. Have you

thought about volunteering? There are a lot of lonely people in every community, or people who could do with a little help, and here are just some of the ways you could get involved.

At our local school to help the children read.

Keeping an eye on an elderly, or sick neighbour. If you've noticed they've altered their routine and you are worried, just knock on their door, introduce yourself and ask politely if that person is alright. Sometimes neighbours have arrangements between themselves for making sure they're looking out for each other.

Offering to take a neighbour shopping, or to a doctor's appointment if they are ill and can't manage these tasks anymore.

Offering to just walk in the fresh air with someone you know who is frail, or who has lost their confidence to walk alone but still likes to get out of the house.

Visiting a lonely neighbour in hospital.

Helping with household jobs, or cooking a meal, whilst a friend or neighbour builds up their strength after a spell of illness or having been in hospital.

Fetching a neighbour's newspaper for them each day if they are no longer able to.

Helping out means you get to know your neighbours better and you feel more joined within the community.

## Wickhamford Gardening Club

Our meeting this month takes place on Wednesday 27<sup>th</sup> August at 7.30 p.m in the Memorial Hall. It is the Annual Summer Show when members are challenged to bring their top quality garden produce and flowers, at the same time testing their baking skills. Judging will commence at 8.00pm during which time a quiz will be held. We look forward to seeing you all.

**A MESSAGE TO YOU ALL FROM**  
**EMILY D'SILVA,**  
**MISSION ENABLER**

Hi! My name is Emily D'Silva, I am a Mission Enabler working with the churches across this Benefice. I am part of a team of 6 working in parishes all over the Diocese.

Diocese we engage intentionally with children and young people for Jesus.

We are part of a project called Calling Young Disciples which is working with churches across the Diocese helping them to strengthen their engagement with children, young people and their families so that more have the opportunity to respond to God's call to be Jesus' disciples and to grow in their love for Him.

I firmly believe that God's church is for everyone, and should be a place of inspiration and safety for all.

The project spans four years with my placement in the Benefice lasting for one year, and the following years being continued by a team within the villages who are committed to carrying on the work we start this year.

One of my favourite hymns is called 'For everyone born a place at the table'. In one verse it sings: ***"For young and for old, a place at the table, a voice to be heard, a part in the song, the hands of a child in hands that are wrinkled, for young and for old, the right to belong."*** This is my prayer for the churches in our Benefice.

The most important input we need is prayer. Please pray for your church's engagement with children and young people and your schools. Pray too for this work to grow and for the guidance and strengthening of the Holy Spirit as across the

Do be in touch. I'd love to have a conversation about how you think we can better serve the children, young people, and families in the Benefice. My email address is: [edsilva@cofe-worcester.org.uk](mailto:edsilva@cofe-worcester.org.uk)

Keep your eyes open for updates, events and ways to get involved.

When the monasteries of Britain were closed nearly 500 years ago, it was envisaged by some that the monastic practice of daily prayer would be carried on in a simplified way by ordinary people in their everyday lives. That didn't happen so much but monastic prayer still lives on as the Sunday services of morning and evening prayer and Holy Communion.

Would you like to come along to the morning prayer service at Badsey church? You would be so welcome. Perhaps try just one day a week for a while, to see if you like it, or, you might want to leave a prayer request for us on one of the string tickets just on the right as you enter church.

At 7:45 am every weekday at Badsey Church there is a morning prayer service. It lasts just twenty five minutes and then we get on with the rest of our day with a refreshed vision of the love of God in all things. The short service includes readings, some simple plainsong, as well as prayers for those who have requested it.

The prayer requests that some of you have filled in are being included daily in our prayers. We continue to include them for about a month unless you request otherwise. Often the requests are for loved ones, or people you know who are sick or going through difficult times.

Our vicar, Philip, often comes to lead the service on Tuesdays and we alternate who leads on the other days. Some of us do the short scripture readings out of the Bible. You may just want to simply take part in a quiet reflective way.

What we do in the first hour of our day, can have a profound effect on how we live and work for the rest of it.

### Three Wheels On My Wagon

1963 will always be remembered as one of the great freeze-ups of the century. Gritting the roads was almost non-existent and public transport sparse and unreliable. How was I to get to work, with my faithful bike confined to the shed? But fear not, Reliant Robin is fired up for a rescue operation.

This three-wheeled vehicle belonged to our switchboard operator. It's somewhat flimsy fibre-glass body in elephant grey, and barely draught proof windows belied the sturdy and highly economical engine. Esmè was delighted to have me as a passenger, saying my weight would anchor Robin to the ground!

Every morning away we chugged, Esmè cackling in delight as we passed dismayed motorists stranded in their expensive cars on the roadside. "It's the front wheel," she explained. "Cutting a track through untouched snow."

One morning Robin refused to start and we trudged up to the main road, intending to walk to Bengeworth. A prosperous looking farmer man stopped and offered us a lift. Esmè and I soon climbed aboard and we arrived at work in style.

One evening freezing rain proved a hazard for Robin, the lock and windows solid ice. But once again help came in the form of a kettle of boiling water, ouch! Luckily everything stayed intact, and we chugged home safely.

It was March before my bike finally left his stable and took to the road. But I shall never forget our adventures in the most reliable Reliant Robin, not forgetting the driver, a fantastic lady, who in a former life did a stint driving a bus.

## FREEDOM GROUP AT CARNIVAL.....

Freedom Group decided to join in the fun and festivities at Evesham Carnival. It wasn't just a matter of turning up. There was a lot of preparation work beforehand, and everyone decided to help. The theme was to look in carnival style, having fun and just taking part. A lorry float had to be decorated. Lots of cardboard flowers were cut out and painted in bright colours. Colourful balloons were blown up, and everyone dressed in nice bright colours, including amazing wigs. Their hard work all came together on the day and everyone enjoyed themselves. The photos below shows Tracey Hemming and the Freedom Group on the lorry during the Carnival, and also her mum and Wendy Beasley sitting on a sofa, with the Poppy Man
