## REMEMBERING THE GREAT WAR AT ST. JAMES' CHURCH, BADSEY

Remembrance Day 2018 has a particular significance this year as it marks the centenary of the end of one of the most wide-reaching and destructive conflicts the world has ever known.

To mark this important occasion there are several events taking place over the Remembrance Day weekend.

In St. James' church Badsey, on Saturday 10<sup>th</sup> November, from 10 am – 4 pm, there will be a special World War I exhibition by Badsey Society. Do pop along. Here you will find out more about those who served in the war in whatever capacity, whether in the Army, Navy or Air Force, as a nurse, as a worker on the land, or by raising funds on the home front.

Members of the Women's Institute will also be exhibiting some beautiful embroidery.

Badsey Society is publishing a book, entitled "Peace, War & Remembrance, The Great War in Badsey, Aldington & Wickhamford". It will be available to purchase from Friday 9<sup>th</sup> November, via The Spar, Badsey, and online via [www.badseysociety.uk](http://www.badseysociety.uk).

Then on Sunday 11<sup>th</sup> November, starting at 10:45 am, St. James' church will hold its annual Remembrance Day service.

As we come together this Centenary year, let us remember all of those who lived through those terrible times. In the words of the poet Laurence Binyon, who was an occasional visitor to the village, "We will remember them."

Our kitchen and toilet facilities include a disabled toilet in St. James' church.

## FRIENDS OF BADSEY ST JAMES CHURCH

In 1885 desperately needed restoration work was started in the church. Parts of the building were apparently deemed "unfit for worship". The cost then, was £2500. Today the cost would have been around £225,000 pounds to complete the work. I think we would all agree that is a substantial amount for the village to find. Previous years of neglect and lack of maintenance made the work necessary.

In 1984, repair work to the tower and the roof was necessary and cost £40,000, the present equivalent would be about £80,000.

The church building is beautiful and is there for all villagers and many visitors to the area. It is used for Sunday worship, weddings, baptisms and funerals, along with a host of other events that go on.

We can look at it and assume that as it has stood since around the 12<sup>th</sup> century, it will be here forever. The examples above show it will only remain if it is maintained and cared for - and of course this needs finance.

Right now, the guttering needs replacing and will cost at least £10,000. The main door badly needs repairing, and will cost around £2000 to put right. These are just a couple of items that need sorting. Funding for repairs comes from the local church and no funding is received from anywhere else.

This is why the "FRIENDS OF BADSEY CHURCH" was formed two years ago. We want to help to keep this beautiful church in good condition and still around for future generations, so that weddings, baptisms and funerals and all the other things the church is used, for may long continue.

You can help by joining the Friends group, by making a regular donation, by offering help if you are gifted in any way or simply by supporting the FRIENDS fun events that go on during the year. If you would like to help or want to ask any questions please contact me, Diana Condliffe, on [friendsofbadsey@eastvaleavon.org.uk](mailto:friendsofbadsey@eastvaleavon.org.uk), or ring me on 07910 805 831

Coming up on **January 26<sup>th</sup>** we have a Quiz, prepared by the village's favourite quiz guru. Tickets go quickly for these quizzes. Let's cheer ourselves up at the beginning of the winter months, so do let me know if you would like a ticket.

### A Prayer for our World.....

Dear Lord, there is nothing natural about a disaster, because You control the world and everything in it. You made the world; You created us. In times like this, Lord, we admit our helplessness. We don't know what to do, but we look to you for help and guidance, to provide solutions.

## German Partnership 2018 Visit – 20th Anniversary

In August, nine members from the Benefice of East Vale and Avon villages visited our friends in Germany to celebrate the 20<sup>th</sup> anniversary of our Partnership. After a delayed flight, our hosts greeted us on arrival at Wegleben.

A trip was arranged for us to the Harz Mountains. It included a scenic cable car ride up through the Bodetal valley to a plateau known as the "Witches' Dance Floor". The views were amazing. We also had a guided tour of the Bonhoeffer-Haus in Friedrichsbrunn. The Bonhoeffer family lived there from 1913 – 1943, experiencing both World Wars. The day ended with a lovely evening meal in the garden of Elke and Klaus Wartmann's house in the village of Emersleben.

Our next trip was a visit to Tangermünde and a guided tour of the town's medieval buildings and sights of interest. Lunch had a medieval theme to it, generously arranged by our German hosts. Whilst visiting the St. Stephen's Church – a building of Brick Gothic style – we learned much about its history. Our planned evening service in the Wallonerkirche church in Magdeburg unfortunately didn't materialize because an unexploded WW2 bomb had been discovered in the river next to the church!! and it was too dangerous to visit.

Our trip to Germany neared its end with a special church service in Wegleben and a photo shoot. We had gifted a lime tree to our German friends in recognition of 20 years Partnership and together we planted it behind the St. Nikolai Church in Eilenstadt. A trip to the Drübeck Monastery concluded our very memorable German Partnership visit. A big thank you to everyone involved in making the visit special.

## **A Message to you all from Reverend Philip Morton**

### **We Will Remember Them.....**

One hundred years ago, one of the most destructive conflicts in human history finally came to an end. For perhaps the first time, the true horrors of war were not confined to the battlefield but became part of the national consciousness. Such was the scale of the loss that every community, every village, every street – practically every family – could name someone who was lost, or had close friends who were in mourning. Our very culture changed as a result of what our young men and women experienced, both on the front lines of battle and on the home front, where mud and fear and grief and loss blurred the lines of social distinction. It was in this crucible of destruction that the ideas of a Welfare State and a National Health Service were born. The Church of England itself began to reassess its own function and identity as a result of chaplains returning from the front line, and many soldiers including Harry

Patch – the last survivor from the Third Battle of Ypres (Passchendaele) – talked about how their experiences in the trenches had destroyed their faith in the Church. A change was needed, and the Church began to champion the causes of those left broken and bereft, resulting in reforming Bishops like Archbishop William Temple (Canterbury 1942-44) who pushed for social reform as well as religious renewal.

Today the Church holds a privileged position as one among many organisations that seek to remember those who lost their lives, those who came home broken, those who kept our industries alive at home, and those who waved good-bye to loved ones never to see them return. This month we have numerous events, exhibitions and displays to honour these people, and special services at each church on Remembrance Day itself, 11<sup>th</sup> November. Please do have a look at the events taking place in your local church, and join with us to remember the fallen.

**Hat's My Boy**

Anyone with a question relating to the building trade needed to chat to Les, the expert extraordinaire, who had a selection of helmets suspended from hooks in his office. There was an appropriate hard-hat for every occasion.

A customer arriving at the Broadway Builder's Merchants called out, "Hello, Les!" "How does you know my name?" questioned Les, a puzzled look across his face. "It's on your hat," the customer answered. "Oh aye! I forgot," said Les.

Whilst working for the same company as Les I celebrated a large birthday that started with a 'five'. He sent a message inviting me to go to his office to collect a present. My colleague advised me not to go as it probably was a trick, but me ever the optimist, trekked down the yard to investigate.

Les greeted me with, "They tells me you have a birthday today? Promise you won't be offended I've got a present." He disappeared into the dim office and produced a very large cardboard poster emblazoned with large multi-coloured letters announcing my name and age. I was quite flattered when he told me he had stayed after closing time to make it. "I hope you will let me attach it to the pole outside for people to see?"

It was a typical windy overcast January day, the poster flapped wildly in the breeze. I hope the colourful artwork brought a smile to the faces of the many customers from Broadway and afar.

Suits You!

After many years of really good work with the Jigsaw group Wendy Morrey has, due to other commitments, had to step down from running Jigsaw. We

must, therefore, sadly announce that the Jigsaw Group has ended and will no longer meet.

The PCC, and I am sure many of the congregation, would like to thank Wendy for her dedication and commitment to the Jigsaw group over the past ten years. Many children have been introduced to the stories of the bible in a fun and exciting way. The fact that the group was going for so long is a testimony to how the leaders were able to engage with the children.

Thanks also must go to the many people who have helped with the group over the years. Your time and effort is very much appreciated.

Thank you Wendy and all your team over the years for a job well done.

### Dog Poo left on Sands Lane Recreation Ground

I refer to the article in the September Community News. I am not a dog owner or sportsman but on occasion I take the grand kids and the neighbour's dog to the Recreation Park off Sands Lane by the Scout Hut.

I'm incensed by the mindless dog owners who let their dogs foul without picking it up. The other day I took the neighbour's dog for a walk and picked up four lots of other dogs' mess.

Totally irresponsible, rude and ignorant. These thoughtless dog owners better wake up or we will all get a ban like Wickhamford. So, come you people, get your act together.

Another concerned resident,
