The Badsey Society is grateful for a grant received from Local Heritage Initiative in order to fund the project. The Local Heritage Initiative is a national grant scheme that helps local groups to investigate, explain and care for their local landscape, landmarks, traditions and culture. The Heritage Lottery Fund (HLF) provides the grant but the scheme is a partnership, administered by the Countryside Agency with additional funding from Nationwide Building Society.

PROGRAMME OF EVENTS

Taking as its starting-point the Enclosure Maps for Aldington (1807) and Badsey (1812), The Badsey Society has studied the development of the parishes during the last two centuries. The Aldington map is on display in the Remembrance Hall and the Badsey map in the parish church.
