Dear Sir

Badsey & Welford

It is quite proper for the
Church-Wardens to apply
for a Sequestration during
the vacancy of their benefice,
and I send you the Letters
of Sequestration, with a
formal Letter of Sequestration.
I hope that the Church-Wardens

of both Parishes will arrange
to be duly admitted, which
will qualify them to act,
& which can be done by making
an appointment at once.

Yours truly

J. N. Hooper
