

E. HARRY WADAMS.
CLERK.

UNION OFFICES,
EVESHAM.

5th September. 1912.

Dear Sir,

"STOCKEY FOOTPATH"

I am obliged for yours of the 30th ult., returning consent duly signed:, all the necessary papers, orders, and certificates were signed by the Justices, and filed with the Clerk of the Peace at Worcester on Monday last, so that everything is now completed except obtaining the order of the ² quarter Sessions for the diversion, which will follow as a matter of course, as there is no objection thereto.

Could you now give consent to our Surveyor ^{removing} conveyancing the removal of the soil at the corner of Badsey Lane. At the present we have an opportunity of ^{removing} conveying the same at a reasonable price.

Yours faithfully,

Clerk.

Revd. W. C. Allsebrook.
