

BADSEY RECREATION GROUND.

THE acquisition of a Recreation Ground for the children of this Parish and for the enjoyment of the inhabitants generally has long been desired, and the opportunity for supplying such a want now presents itself. An excellent site of nearly four acres in extent has been secured, and a vigorous effort is being made to raise the money, in a voluntary manner, to enable the promoters to complete the purchase and carry out the scheme. The total cost is estimated at about £500. A preliminary list of donors and subscribers is herewith attached, and an earnest appeal is now made to all property owners and inhabitants in Badsey and to others interested in the parish, to add their names thereto and assist in carrying out the project. Donations and subscriptions may be paid to the account of the "Badsey Recreation Ground," at Lloyds Bank, Evesham, to either of the Hon. Treasurers, Messrs. J. Sladden and W. Mustoe, or to the Hon. Sec., Miss Ethel Sladden, Seward House, Badsey, and will be most gratefully received.
