Dear Sir

Badsey School House.

The matter to which you refer in your letter of the 9th inst. came before the proper Committee some time ago when they decided not to entertain the offer to purchase the land adjoining Badsey Council School, but the consideration of the other part of your offer was adjourned.

The Director of Education has undertaken to bring the matter up again before the Sub-Committee and take their further instructions.

Yours faithfully

J. Thornely

Clerk of the County Council.

The Rev. W. C. Allsebrook
Badsey Vicarage
Evesham.
