

Deddington
January 21st 1771

My dear Willie,

We shall be very
pleased to be at Icknield
on the 13th & I wish you
lots of much happiness
When all are gone back to
school I intend to come
down to Garsington for
a few days, will do so here
back if possibly can.

but will write again —
Charlie goes back on Thurs
& Tom on Saturday
Alfred has not been quite
well the last few days
so he do not intend
to go back with Charlie
Tom got home yesterday
about 4 o'clock

They are gone down Stratford
to Clepton this afternoon
I am glad to hear Mrs

John is better - I hope all the rest of our
friends & yourself are well & with best
love in which all unite

Believe me dear Willie

Your ever affectionate Mother

S. Hand

Kind love to all our friends
