Badsey First School**

PROGRAMME OF EVENTS

After the formal part of the evening, please feel free to tour the school, to buy more books, have another drink or just chat to old friends. To help you decide where to go, a plan appears on the back of the programme, indicating where there are any special exhibits in the classrooms. On your exit from the Hall, you can go one of three ways:

- To the new part of the building by turning left as you leave the Hall
- To the old part of the building by going straight on as you leave the Hall and then either left or right
- To Miss Saunders' classroom immediately off the Hall (where drinks are being served)

To help you on your way round the school, young guides will be available to assist you in some of the rooms. They are all current or former pupils of Badsey First School. Your guides for tonight are:

Fiona Allen	Jocelyn King	Gina Phillips
Jessica Allen	Chloe Moore	Guy Spencer
Ellena Bolland	Emily Moore	Jonathan Spinks
Christina Glass	Samantha Newman	Connor Trotman
Eleanor Hardwick	Julian Pask	David Waters
Sophie Hible	William Pask	

In the classrooms you will find:

- A guide to the room
- Oral history recordings of memories of former pupils in their 80s and 90s
- Photograph albums and displays of other memorabilia
- DVD of school sports day and fete
- Michael Barnard's picture, entitled "The Years Between", dedicated to all pupils and former pupils of Badsey School, and in remembrance of pupils who lost their lives during two World Wars

Following on from the publication of the book, we would like to produce a CD of former pupils' memories. If you were connected with Badsey School in any way in the past and would like to record your memory, please visit the "Down Memory Lane" area in Mrs Collins' classroom.
