[Poor Rates, No. 1A, C. III.]

INSTRUCTIONS.

it is provided by Art. 1 of the Poor Law Board's General Order for Accounts, dated the 14th of January, 1867, that the Overseers shall (except so far as the Book is kept under their direction by any Collector) "punctually enter and accurately keep according to the Form and direction in the "Schedule A" herewith annexed:—

"A Rate Book.—In this book shall be inserted the particulars of the assessment and collection of the Poor Rate of the Parish, as set forth in the form of Rate Book; and in addition to the declaration required by the Union Assessment Committee Act, 1862, or any Act amending the same, where the Valuation List for the Parish shall have been finally approved of, and elsewhere in addition to the declaration required by the Statute 5 and 7 Will. IV, c. 96, such Overseers shall, before any Rate is presented to the Justices for their allowance, sign a declaration, in words at length, of the total amount of the Rate so presented for allowance, according to the Form, or to the effect set forth in the said Form.

(a.) The several columns of the Rate Book which contain the gross estimated rental and rateable value, and the Rate in the pound assessed upon the several persons liable to be assessed, the recoverable arrears, and the total amount to be collected, shall be added up at the foot of every page, and the several totals shall be ascertained and set forth at the foot of the Rate, before the same shall be submitted to the Justices for their allowance.

(b.) If the Overseers shall deem it convenient, the Rate may be divided into several portions, corresponding with the several divisions of the Parish, if any; so as to bring all the rateable property of each division together, and there may be separate series of numbers for the assessments in every division, and they may, in like manner, bring together in the Rate separate classes of rateable property.

(c.) The Overseers may, if they think proper, bring together and assess under one number all or any portion of the properties situated in the Parish, or in any separate division thereof, if there be any, belonging to the same person, and for which he shall be liable to be assessed as Owner.

Provided that nothing herein contained shall apply to any Poor Rate made under the authority of a Local Act by Persons other than the Overseers."

The Representation of the People Act, 1864, section 2, is in these terms:—

- "In every part of the United Kingdom, it shall be the duty of the Overseers annually, in the months of April and May, or one of them, to enquire or ascertain with respect to every hereditament which comprises any dwelling-house or dwelling-houses within the meaning of the Representation of the People Act, whether any man, other than the owner or other person rated or liable to be rated in respect of such hereditament, is entitled to be registered as a voter in respect of his being an inhabitant occupier of any such dwelling-house, and to enter in the rate book the name of every man so entitled, and the situation or description of the dwelling-house in respect of which he is entitled, and for the purposes of such entry, a separate column shall be added to the rate book."

DECLARATION TO BE APPENDED TO THE RATE.

A declaration in one of the following forms must be set forth in words at length, and signed by the Parish Officers at the end of the Rate, before it is presented to the Justices for allowance. (See Art. 1 of the General Order for Accounts above cited.)

1. *Where a Valuation List has been finally approved for the Parish under the provisions of the Union Assessment Committee Act, 1862, the Declaration should be:—*
We declare that the total of the above Rate amounts to the sum of _____ *pounds*

We, the undersigned, do hereby declare that one of us, or some person on our behalf, has examined and compared the several particulars in the respective columns of the above Rate with the Valuation List made under the authority of the Union Assessment Committee Act of 1862, in force in this Parish, and the several hereditaments are, to the best of our belief, rated according to the value appearing in such Valuation List.
