Tree Planting

Miss Smith, a fondly remembered ex-teacher of the school has agreed to plant a commemorative tree on the occasion of the school's centenary.
The tree has been donated by Hutchings & Son of Knowle Hill, Badsey.

Everyone with a child at the school is automatically a member of the PTA. This year, with your support, there have been a number of very successful fundraising events. These included the annual fireworks display, a quiz night, children's end of term discos, prize bingo, a hugely successful race night, fashion show and ice skating.

The purpose of every event is twofold, to raise money for the school whilst having an enjoyable time, whether for the children, the adults, or the whole family together. (*Staff too!*)

The money raised from these occasions has purchased a CD-ROM for the school computer, completely refurbished the school pond to provide a wildlife habitat and study area (over 100 newts were found whilst preparing the site!) as well as purchasing books for the school library and insurance for the children.

The PTA has also provided the money for the Centenary Mugs that each child will receive this week to celebrate 100 years of Badsey First School. **THANK YOU TO EVERYONE!**

Treasure Hunt

The last family event organised for this term will be the Treasure Hunt on Sunday 9th July. This is a fun afternoon driving around the Vale ending with a barbecue at a mystery site. The hunt starts outside the school at 2.30pm.
