**Dear Entrant,**

As you are reading this schedule you will hopefully appreciate that we have worked hard to make it available much earlier than in previous years. We hope this will give you more time to plan and prepare your exhibits for the show this year.

Thank you to everyone who has participated in previous years and welcome if this is your first time exhibiting.

We sincerely hope that you find some classes that will be suitable for you.

Wishing you a wonderful day and good luck!

## **New and Revised Entry Classes for 2016**

As is usual the titles for the photographic classes have been changed. This is not only for the main adult classes 148 to 153 in Division I, but also for Seniors in Class 29 in Division B. The Photographic classes for children and young people in Division G have also been developed: Classes 81, 96 & 101

The floral art classes in Division C have also been revised. Please see classes 31 to 34.

### **A Show Stopper Bake**

It does feel that these days that you can't switch on the television without someone demonstrating cake making and sometimes competitively. With the ever increasing popularity of baking the Badsey Flower Show has a new class this year for a show stopper cake. There are very few rules— you are just required to create a Show Stopper Bake, as inspired by "The Great British Bake Off", on the theme of Carnival. To take up a footprint of no more than 18ins (46cm) square, height not restricted.

Let your imagination go wild and look out for Class No 107 in Division H

### **Eggs**

Many people within the village keep hens and to increase the diversity in the show's competition and display, a new set of entry classes has been created for the pleasure of showing eggs. From the purity of the colour of matching egg shells to the mystery quality of what is inside., there is something for everyone.

Please look out for Classes 131 to 135 in Division H

### **Video**

Many of us these days take short snatches of video on our phones, some use their camera others are more enthusiastic and have specialist video cameras. With the rising popularity of this hobby, the Badsey Flower Show committee sets the challenge for you of a new entry class to create a short video. The title of this video is "Village Life" and is deliberately broad in its scope so that any aspect of village life can be included. Any topic from the road you live, waking up in the morning to village sport or from a hobby group to a project undertaken by school children

Entries need to be handed in on the entry night, Tuesday 19th July at the school. Please copy the video file of your creation to a memory stick, DVD or portable hard drive. These will be returned to you once the files have been copied.

On the day of the show all entries will be shown in the marquee.

Please look out for Class 157 in Division I

## Scarecrow Competition

Class 158

The carnival is returning this year to Badsey and the Parish Council would like to support the idea with a Scarecrow competition . These competitions have proved to be very popular in villages across the country and as well as brightening up the area for a short while they make people smile.

The topic for this year is “Carnival” and you should place your scarecrow in your garden from Tuesday 19th July. Judging will take place during the week before the Flower Show. Please then leave your Scarecrow for everyone to see until after the day of the Carnival on Saturday 30th July. Please remember to enter your Scarecrow for the competition on Tuesday 19th July at the school.

Let your imagination flow free and make the village smile with your creativity.

## Can you Help?

### On the day

We always need as many volunteers as possible on the day of the Flower Show. We need help to set up before the Flower Show to move tables, to set up the bar and to generally help get the field, car park and marquee ready. We also need help to clear away at the end and return the field to its pristine condition.

During the show we always need help with marshalling, car parking, selling raffle tickets, helping sell programmes on the gates, helping on the tombola and all the tasks that need to be undertaken to make the day a success.

If you would like to help in any way please contact us on:

[info@badseyflowershow.co.uk](mailto:info@badseyflowershow.co.uk)

### Raffle Prizes

The raffle is always drawn near the end of the afternoon of the Flower Show, and forms a big part of the day. We are always grateful for the donations of raffle prizes and if you would like to make a donation please contact Lyn Sharp on

[info@badseyflowershow.co.uk](mailto:info@badseyflowershow.co.uk)

### Tombola

Most traditional Flower shows such as ours have a tombola and ours was a great success last year. It is a part of the fun of the day but also a valuable fund raiser to cover the costs of the day. If you have tins, bottles or other objects sitting at the back of your cupboards, we will be accepting donations on entry night at the school.

# Badsey Flower Show

## In the beginning...

The first show was held in 1888, and up to 1936 was held on a Wednesday, often at the start of August. Records of the early Flower Shows are still in the possession of the Flower Show Committee, the earliest being that of the 1900 show - known at the time as the Badsey, Aldington & Wickhamford Flower Show.

## Between the Wars

In the 1920s, the Flower Show moved to the Recreation Ground. A typical Show would run from 2pm to 9pm, and raise around £130 from entrance and entry fees - with over half of this given out as prizes for the Horticultural sections of the Show

Prizes at the time included plates by Royal Worcester, with the examples below being from 1925 and signed by leading Royal Worcester artist William Bagnall.

Thanks to Roger Eborall for sending us these photographs and giving us permission to show them here

## The 1940s to the present day

The show is now held on the nearest Saturday to St James Day, and has now been held every year except for the extreme wet weather of 2006 & 2007. Last year's Flower Show saw 350 exhibitors across 150 classes contributing to a very successful show. A variety of entertainment is provided throughout the afternoon with many traditional and local stalls as well.
